be at the docks; call 822-2264 and
we will meet you at the office.

Springtime at the Marina

The boating season is just around the corner. Springtime in the foothills and at the Marina is a beautiful time of year.

Marina Personnel

We are happy to welcome Russell Locke as the Interim Manager at Millerton Lake Marina. If you haven't had the opportunity to meet him, drop by the Marina and introduce yourself. If he is not in the office, you can find him down on the docks. Russ and all the Marina staff welcome the opportunity to get to know all of our Marina slip holders.

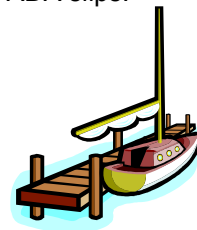

Brice Ewell, Vice President of Lake Millerton Marinas, LLC, will be at the Marina office Mondays through Fridays from 2:00 p.m. to 4:00 p.m. or other times as posted.

Fuel Sales

Fuel sales will be available for the boating season.

\$100 Credit For 2009 Rentals

All existing slip holders with "paid in full" accounts at the Marina are eligible to receive a \$100 credit towards their 2009 slip rental fees for **each** referral of a potential slip holder that results in a "paid in full" rental of an annual or semi-annual slip at the Marina. This offer is valid through May 31, 2008. New slip holders can check out our new steel docks, walkways, dock carts, and other improvements. Annual and semi-annual slips are currently available, as well as ADA slips.

Boat Maintenance and Supplies

Please remember that all boat owners are responsible for maintaining their boats. This includes dock lines. We highly recommend that you replace all your dock lines once a year, whether they look like they need replacement or not. The Marina Store will be up and running soon to provide snacks, supplies, and fuel.

Slip Holder Accounts

All payments for annual and semi-annual boat slips are now past due. All unpaid accounts are accruing a monthly \$20 late fee and other charges. Slip holders with past due accounts must contact the Marina corporate office at 559-437-1990 to avoid having a lien placed on their boat and the boat being removed.

Insurance and registration information must be current and on file with the Marina office. Also, please advise the Marina office of any change in your contact information, as well as notification of any e-mail address you have.

Marina Rules

Please remember that in accordance with the Marina rules, there is to be no fishing or swimming from the docks, no running, or bicycle riding on the docks. Shoes are to be worn when on the docks.
